Financial and Pension Planning

How transparent are your pension assets? Where is your pension invested? Is your Swiss pension 2 and 3a portable? What amount of CHF pension is enough for me? Who is working for me—an asset manager or a bank manager? Know your options and compare them in the Swiss financial industry when making decisions.

Our experts will dive into Zugerberg Finanz trusted values and demonstrate:

- **Zugerberg Finanz Investment Philosophy**
- **Financial and Pension Planning - now and tomorrow**
- **Financial Markets and Economic Outlook 2025**

Investing money is not just a question of know-how. Today, more than ever, it is also a matter of trust. Investors seek approachable, trustworthy, honest and transparent financial partners—these are base values of Zugerberg Finanz. For 25 years, we have been supporting private and institutional investors of all sizes with their investments. Our motto has always been and always will be: we only buy for our clients what we buy for ourselves.
