Your needs

Asset management

Do you have limited time to actively look after your assets and want a reliable and independent asset management company?

Mutual interests

Do you want someone to look after your assets who also invests their own money exactly the same way?

Investment solutions

Would you prefer an investment solution that focuses on high-quality individual titles and is selectively supplemented with ETFs and investment funds for further diversification?

Swiss francs

Do you prefer to invest the majority of your assets in Swiss francs?

Private equity

Do you want to participate in the returns of this exciting asset class and get the benefits of diversification?

Current income

Would you like to achieve current income through investments in dividend-bearing equities and attractive bonds?

What is Zugerberg Finanz R?

Zugerberg Finanz R is the multi-award-winning flagship investment solution from Zugerberg Finanz. It offers the opportunity to invest directly in promising companies from an initial investment of CHF 500'000.

We buy individual titles whenever possible and appropriate. We supplement these with ETFs and investment funds to ensure optimal diversification, especially abroad and in the case of bonds.

Why Zugerberg Finanz R?

Well substantiated

Experience, science, and clear values – we make investments based on the macroeconomic assessments of our experienced CIO Office and Advisory Board.

Hand - picked

Our carefully compiled portfolios include promising Swiss companies, as well as notable international investments. We invest in individual titles wherever possible and appropriate and supplement these with ETFs and investment funds, especially abroad and in the case of bonds.

Active

During the term of the contract, we will always keep an eye on your vested pension benefits – and actively intervene in the case where the market situation changes.

Credible

We believe in your investment which is why we invest our own assets in the same way in which we also invest our clients' assets.

Transparent

You can view your current positions, performance, all transactions, dividends, fees, etc. online on a daily basis via e-banking.

What is the process?

1. Choose your personal investment strategy based on your risk profile from 5 risk classes with flexible equity or bond shares.
2. Choose the best combination of one or more strategies to achieve your investment goal.

Equity share with the risk classes 1 to 5:

3. Sit back and let us keep an eye on your investment and actively intervene when the market demands it.

Classic, independent asset management

Flexible and individual investment

Zugerberg Finanz R gives investors the opportunity to benefit from professional, active asset management from a one-off investment of CHF 500'000 or more.

Implementation mainly takes place by means of individual titles, except in the area of bonds (transparent collective investment instruments).

Investment character

Active asset management; ranges model according to the chosen investment strategy
