What is Zugerberg Finanz Vested benefits?

Zugerberg Finanz Vested benefits offer investors the opportunity to invest their vested benefits assets in a securities investment that suits their needs. By investing in promising bonds and equities, they will benefit from higher earnings opportunities compared to a classic account solution.

Why Zugerberg Finanz Vested benefits?

Well substantiated

Experience, science, and clear values – we make investments based on the macroeconomic assessments of our experienced CIO Office and Advisory Board.

Hand - picked

Our carefully compiled portfolios include promising Swiss companies, as well as notable international investments. We invest in individual titles wherever possible and appropriate and supplement these with ETFs and investment funds, especially abroad and in the case of bonds.

Active

During the term of the contract, we will always keep an eye on your vested pension benefits – and actively intervene in the case where the market situation changes.

Credible

We believe in your investment. That's why we invest our own money in exactly the same way as our customers' vested benefits assets.

Transparent

You can view your current positions, performance, dividends, fees, and much more on the app.

How do Zugerberg Finanz Vested benefits work?

1. Choose your personal investment strategy based on your risk profile from 5 risk classes with flexible equity or bond shares.
2. Sit back and let your vested benefits work. We'll keep an eye on your investment and actively intervene when the market demands it.

Useful information!

Tax-free for the entire term

During the term, your vested benefits are exempt from the wealth tax and the interest and capital gains are tax-free until payout.

Reduced taxation on withdrawal

When the vested benefits assets are transferred to private assets, the vested benefits assets are taxed separately from other income at a reduced rate.

Normal withdrawal

The vested benefits assets can be withdrawn at the earliest 5 years before and at the latest 5 years after the beneficiary reaches the normal retirement age for receiving old-age and survivors' insurance (AHV).

Early withdrawal

Vested benefits assets can be withdrawn early in the following cases:

- In order to purchase / renovate an owner-occupied residential property
- To take up self-employment.
- If the beneficiary receives a full disability pension.
- On final departure from Switzerland, with restrictions in the case of EU / EFTA countries.

Le versement est gratuit.

Benefit in the event of death

In the event that the beneficiary dies before reaching the reference age, the surviving dependants will receive the vested benefits as a lump-sum death benefit. However, the vested benefits assets are not subject to inheritance law, but to the Foundation's pension provision regulations. If necessary, a separate beneficiary order can be set up.

Regulations and information sheets

You can find out more about the Foundation's core values, withdrawal options, and formalities in the Foundation's regulations and various information sheets on our website:
